

# MITS Collection Site Information

This collection agreement is between the Manufacturers Interstate Takeback Systems (MITS) and \_\_\_\_\_, located at the address listed below.

E-World Online, in conjunction with the **Manufacturers Interstate Takeback System (MITS)** administers a cost-free and comprehensive collection and recycling program for **Covered Electronic Products (or CEPs)** throughout the State of Washington. The program is funded by responsible manufacturers of electronic products and welcomes grass root participation throughout the state.

The MITS program will launch January 2010. Before any collection activities occur, a contract/final agreement between your organization and MITS will need to be in place. For more information on being a MITSecycle Partner, and on the WA E-cycle program, please refer to our website at [www.MITSecycle.com](http://www.MITSecycle.com).

In order to determine compensation for collection, please answer the following questions:

Do you have internet access at the location? \_\_\_Yes \_\_\_ No

How many pallets can be staged before you will need a pickup? \_\_\_\_\_

Can you provide your own packaging materials? (Pallets, shrink wrap, boxes)\* \_\_\_Yes \_\_\_ No

Are you able to provide your own transportation to a MITS processor?\*\* \_\_\_Yes \_\_\_ No

Proposed compensation: \$0.\_\_\_\_/lb

Operating standards outlining the responsibilities and requirements of becoming a MITSecycle Collection Partner for covered electronic products (CEP) will be provided to you with your finalized contract and compensation offer. In order to collect CEPs through the MITS Program, your agreement and acknowledgement of receipt and understanding of procedures will be required. **By signing below, you are indicating that you are willing to provide collection services as a MITSecycle Partner.**
